RAIN THERAPY - The art of light and the power of water...

RAIN THERAPY shower fittings ensure functionality and durability while blending seamlessly with the aesthetics of contemporary design. Ideal for both indoor and outdoor spaces, this complete product line has been developed to perfection and is manufactured exclusively in Italy by our expert partner factories.

The products comply with stringent North American standards and incorporate technologies designed to reduce water consumption. These RAIN THERAPY showerheads are made with only top-quality materials and are manufactured with the utmost respect for the environment.
